What's New with Daddy Squeeze - Spring 2010

Hello Friends and Fans,

Happy Spring!

Here is an update of what's happening with Daddy Squeeze Music. You can always find the full performance calendar at www.daddysqueeze.com

Dan Newton's Café Accordion Orchestra is opening for Les Primitifs du Futur on May 1 and we are as thrilled as we can possibly be! This French band blends the best from the past and the future, creating a sound that will blow you away with historic authenticity and modern innovation. They combine accordion, banjo, xylophone, vocals, percussion and reed instruments with a simply amazing repertoire of old and new music from France, and around the world. Les Primitifs du Futur are CAO's only living major influence. CAO has learned a half dozen tunes from Primitif's recordings, and we have recorded two of the their originals (La Belle et le Manouche and Le Femme Panthere et l'Homme Sandwiche, both on our Germaine cd.) If you can make it to the Cedar Cultural Center in Minneapolis on May 1st, you will have a musical experience you will never forget! For ticket info go to: www.thecedar.org/les_primitifs_du_futur

CAO is still having a great time playing every Tuesday at the Loring Pasta Bar in Minneapolis. We've been extended through June, thanks to your loyal support. It's really great seeing all our friends dining and dancing in Dinkytown. If you haven't been to the Pasta bar yet, come on down and enjoy this lovely scene. They clear out a space for dancing every Tuesday while we play from 6-9pm. The Loring Pasta Bar is located at 327 14th Av. SE., Dinkytown, Minneapolis. 612-378-4849 www.loringpastabar.com

CAO is pleased to be back in the recording studio. We have laid down 15 tracks for our next recording. We hope to have it available later in the summer. Keep an eye on the CAO web site for updates and availability. www.cafeaccordion.com

Last, but not least, my latest production for Compass Music, "A Stroll in Paris" is available now in Target Stores! It features 15 musette-style tunes played by Daddy Squeeze, with Bob Ekstrand on guitar, Tom Lewis on bass, and Joe Steinger on drums. Look for it on the "Lifescapes" kiosk at a Target store near you.

That's it for now, hope to see you soon!

Dan "Daddy Squeeze" Newton
